

REMARKS

Attached is a copy of the claims in their current and correct form. Some of the originally filed claims were amended once in a response filed June 30, 2003 (paper #5). No further amendments to the claims have been made since June 30, 2003. The attached copy of the claims are a corrected set. The claims indicated as "previously amended" were amended on June 30, 2003. The claims indicated as "original" have never been amended. Applicant wishes to thank Examiner Lewis for the courtesy of a telephone interview conducted on May 24, 2006, where the content and form for this response was discussed. Applicant believes the instant submission is complete and responds correctly to the Examiner's Action of May 3, 2006.

CONCLUSION

Applicant believes claims 1 - 47 are patentable. Applicant requests withdrawal of all rejections and issuance of claims 1 - 47.

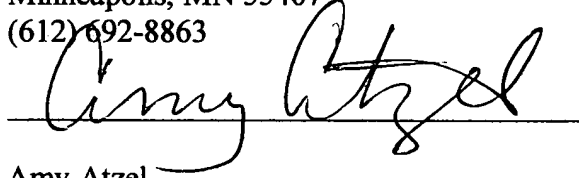

Respectfully submitted,
